Summer Camp is an awesome opportunity for young people to grow closer to God, experience new things, make new friends, and learn new life-lessons. Because we value life change in our children and believe that God loves to work through summer camp, we are committed to helping families afford camp.

Scioto Hills Camp is an amazing camp, offering highly trained staff, great accommodations, solid biblical teaching, and awesome activities. They work hard to keep costs low, providing an exceptional experience for the money. Still, it can be overwhelming to think about paying up to \$350 for a week of summer camp. For families with multiple kids, this can quickly add up.

VCC is happy to help. We believe this is an investment in the future of our children, and we are honored to partner with God in this.

Scholarships are available on a first-come-first-served basis as funds are available. Past availability does not guarantee current availability.
